Please **include** the following along with the completed application form:

- 1) A summary of the proposed research project to be undertaken with the support of this scholarship (maximum two pages), including:
  - a) Full project title, lay title, and 200-word lay abstract; and
  - b) A brief outline of the following:
    - i) What you want to do? (hypothesis, research question, specific objectives)
    - ii) Why this is a reasonable thing to do? (rationale)
    - iii) How you are going to do it? (work plan, timelines, methods)
    - iv) Why you should be the one to do it? (relevant experience and skills, collaborators for technical gaps, preliminary data)
- 2) An academic resume summarizing achievements, **scholarships or salary awards received or anticipated (including any potentially overlapping awards)**, and any previous academic work relevant to the aims of this award (maximum two pages).
- 3) Requirements of the proposed supervisor:
  - a) A letter confirming both: (1) adequate research infrastructure and funding support for the trainee to be able to complete the proposed project; and (2) lack of adequate external or institutional salary support for the trainee.
  - b) A brief four-page CV.
- 4) Two letters of reference from academic and/or professional referees familiar with the applicant's scholastic/academic work. The proposed supervisor may only provide a letter of reference if they have previously supervised the applicant.
- 5) Official academic transcripts for all college/university courses attended by the applicant.

Please submit the completed application form and all the above items in a **single PDF document** to [researchscholarship@phacanada.ca](mailto:researchscholarship@phacanada.ca).

**Application Deadline: Sunday, April 7, 2024(Midnight)**
